

2022 ANNUAL REPORT

MULTIPLICATION AND COLLABORATION

By God's grace, our impact is growing. What's our strategy? We pray for God to open doors to empower workers in underserved regions. When He does, we aim for multiplication and serve in collaboration with God and His people. A story from Ukraine and Moldova illustrates this.

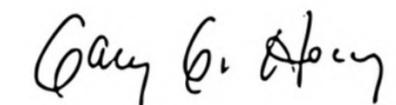

In 2021, we got a call from Mission Eurasia. They said that Christian workers in the former Soviet Union need tools to form stewards and to help churches and ministries follow standards for sustainability. We had been praying for Eurasia, so we collaborated to translate *The Sower*, *The Choice*, and *The Council* for Russian readers. Then, God made a way for a strategic trip.

Dr. Michael Cherenkov and I traveled through Ukraine and Moldova and engaged 560 people in church, seminary, and university groups. *God brought us together from the East and the West. The visit ignited multiplication!* Many applied the teaching and tools and have reported fruit!

That's just one story! Even as the colorful stacking dolls, known as *matryoshka* or *babushka*, have much more inside them, this report offers a deeper picture of our progress in 2021-2022 for which we praise God. With you!

*"Do not be afraid,
for I am with you;
I will bring your
children from the
east and gather
you from the west."
Isaiah 43:5*

Praying for peace. God save Ukraine.

Gary G. Hoag, PhD
President & CEO

PURPOSE

In obedient service to Jesus Christ, Global Trust Partners multiplies faithful stewards and mobilizes peer accountability groups to build trust and to grow local generous giving to God's work.

As of 1 July 2021, GTP had served a global network of 4,055 stewards in 104 countries. By 30 June 2022, our global network expanded to 5,181 stewards in 110 (listed at right).

Our program work (aiming at multiplication) and partnership efforts (through collaboration) engaged 28% more people with the GTP purpose in 2021-2022.

PROGRAMS: TARGETING MULTIPLICATION

TEACHING

As fewer stewards engaged online, we shifted from teaching as many stewards as possible to teaching receptive groups (both onsite and online) in new countries.

Teaching strengthened **2,297** stewards from **27** countries in 2021-2022 (as compared to 3,307 stewards from 89 countries in 2020-2021).

TRAINING

To aim for multiplication, we trained stewards and started equipping trainers to replicate trainings both onsite and online.

Training empowered **864** stewards from **45** countries to help ministries follow standards in 2021-2022 (as compared to 2,886 in 80 countries in 2020-2021). Also **11** trainers replicated trainings for another **266** people.

TEAMWORK

We provided various capacity building services to peer accountability groups (PAGs) to help grow their membership and reach to new countries.

Teamwork served **11** PAGs accrediting members in **15** countries in 2021-2022 (as compared to 11 PAGs in 14 countries in 2020-2021).

TOOLBOX

We surveyed the global network to enhance our digital resources in 2022-2023.

Toolbox reported **27,103** downloads of GTP ebooks and templates and **925** video views in 2021-2022 (as compared to 14,235 downloads and 2,074 video views in 2020-2021).

PARTNERSHIP: ENGAGING COLLABORATION

PRAYER

We started Monthly Global Prayer Hour to invite the world to pray with us.

Our Prayer Journal subscription list grew **161.2%** from 116 intercessors last year to **303** this year.

COMMUNICATIONS

We activated the *Inspiring Stewards* podcast, sent 24 Journal Entry emails, and posted 8 impact stories, 8 blogs, and 7 field reports.

As our global network grew **28%** wider from 4,055 to **5,181** stewards, our email open rates also went up from 35.1% to **36.0%**. More people engage with GTP than ever.

TRANSPARENCY

We celebrated global financial support and formed the GTP Trust Fund this year to receive complex gifts.

Praise God for record giving: **\$611,614** from **209** giving units in **47** countries (up from \$524,725 from 179 giving units in 31 countries last year).

SERVICE

We scaled to meet growing demand by adding staff and collaborating with organizational partners.

GTP had 5 staff, 12 regional facilitators, 12 board members and 5 organizational partners last year. This year we have **10** staff, **12** regional facilitators, **12** board members, and **11** organizational partners

PROGRAMS

GTP has four programs that staff deliver 2x2 with regional facilitators: Teaching, Training, Teamwork, and Toolbox.

Read about the reach and impact of these programs in 2021-2022 in this section.

Give thanks to God for the fruits. See a sampling of the stewards we served. Enjoy the testimonies.

TEACHING

We deliver biblical instruction to form stewards who can teach others about faithful administration and help ministries flourish.

TEAMWORK

We collaborate with regional facilitators to serve national workers and help them set up or strengthen local peer accountability groups.

TRAINING

We offer two types: responsive trainings address regional needs and replicable trainings empower participants to train others globally.

TOOLBOX

We provide digital resources to individuals and matching grants to groups to help them grow trust and greater local giving.

TEACHING

We delivered biblical and practical teaching online and onsite. The topics ranged from strengthening churches and ministries for sustainability to biblical governance to growing local giving and using the GTP Diagnostic Tool and Templates for building capacity.

Our research has revealed that onsite work builds relationships with receptive workers. Then, they tend to tap into our online offerings and share them with others. For this reason, we intentionally aim to engage and resource people in new countries, not for numeric growth. This helps us target multiplication with a small staff.

This year we taught in 6 new countries: Belize, Eswatini, Malawi, Moldova, Mozambique, and Ukraine. To widen engagement and increase our impact, we entered these countries in collaboration with local, national, and/or regional partners.

TEACHING MULTIPLICATION AND COLLABORATION WITH NETWORKS

Here's an example of multiplication and collaboration related to teaching. On our trip to Ukraine and Moldova, we delivered biblical teaching in partnership with these ministries. The visit produced much fruit, some of which we celebrate in the testimony below.

"Seminar participants appreciated how Dr. Gary Hoag facilitated the session. He began by asking about the challenges and he delivered biblical teaching and offered practical suggestions in response to the sharing from the audience. All the students who participated in the seminar wrote papers on stewardship and generosity. Moreover, some students preached sermons on stewardship and generosity in their churches in Kyiv, Poltava, and Cherkasy. Others used this material in their ministry."

– Ruslan Khmyz, President, Kyiv Theological Seminary, Ukraine
Read his impact story [here](#).

PALMFUL OF MAIZE

MULTIPLYING TEACHERS IN COLLABORATION WITH STUM

Inspired by Handful of Rice from India and in partnership with STUM (Sunday School Teachers United Movement) and GenerousChurch, GTP launched Palmful of Maize in 2022 to teach the joy of giving as a reflection of true Christianity to all the children of Malawi. Celebrate with us that the teachers of Malawi are spreading this vision widely.

Palmful of Maize stats

(as of 30 September 2022):

- **1,728** teachers trained in **12** of 28 districts in Malawi
- **12,560** learners participating in Palmful of Maize (POM)
- **284** churches actively engaging learning participants
- **13,050** kg of maize contributed, all of it stays in each district and is divided in three ways:
 - 80% of it shared with the poor with district committee oversight
 - 10% is sold locally and funds the administration of this vision in Malawi
 - 10% is sold locally and funds the advancement of the vision to other African countries

TRAINING

This year, we took 3 steps to scale training for multiplication: We added a learning management system (LMS). We hired three staff members. And we began actively mobilizing trainers.

For our LMS, we picked Pathwright to facilitate online learning in cohorts. Our first offering on the LMS is On Demand Journey of Empowerment (ODJ). Learners go through ODJ at their own pace in their timezone.

As for staff, we hired Gabrielle Fortunato of South Africa to work as Regional Trainer for Africa. She facilitates ODJ for the world, and Stations of Generosity and the Generosity Design Lab (GDL) for sub-Saharan Africa. She has already tapped volunteers to train with her. Later, we added Jon Devadas of Malaysia to provide the same service to Southeast Asia, and Prakash Chandra Giri of Nepal as Curriculum Developer to build out more offerings on the LMS.

Onsite in 2021-2022, we facilitated JOE in Belize and Guatemala. Then, for example, in Belize 6 trained trainers replicated it for another 158 people. Multiplication is happening!

ON DEMAND JOURNEY OF EMPOWERMENT

MULTIPLYING STEWARDS GLOBALLY THROUGH ODJ

WHAT PARTICIPANTS ARE SAYING ABOUT ODJ

"It confronted me and impacted me."

"The spiritual disciplines, the trust journey with an accountability partner, and the establishment of God's standards with right financial controls were the top lessons I received."

"It made me make decisive changes in my life."

"I liked the most that the JOE concepts come from the Bible, and they are practical and doable. I am renewed and empowered!"

100% rated it "extremely or very culturally appropriate"

92% celebrated the "flexible on demand format"

"I want to encourage you to create some margin in your schedule to go through ODJ and then get involved in guiding others through it. It may be a jumpstart for you to live a life of empowerment! Learn who you truly are, why you are placed in your context, and what is your role in the bigger picture. I imagine if our world was full of empowered people who truly understood their identity in Christ and were living out God's purpose for their life, then the Kingdom of God will come to us indeed!"

– Doreen Magboo, Bagong Simula, Philippines
Read her impact story [here](#).

GENEROSITY DESIGN LAB

MULTIPLYING GIVERS IN COLLABORATION WITH GENEROUSCHURCH

"It was a meaningful time that resulted in a tool we can use to promote biblical generosity rather than prosperity gospel."

"I found the biblical framework solid, the Scripture passages and stories relevant, and the generosity videos inspiring. I commend the GDL's intentional design for contextualizing the training for the end-users. Thanks GenerousChurch and GTP for helping the Christian Stewardship Association craft a curriculum for the Philippine Church."

Ereny Monir added the Generosity Design Lab (GDL) to our list of trainings, thanks to our partnership with GenerousChurch. The GDL is an interactive experience over two or three days that results in the creation of a contextualized generosity curriculum for a network. In 2021-2022, GTP facilitated GDLs with groups from Egypt, the Philippines, and Indonesia.

TEAMWORK

We often say at GTP: "Teamwork makes the dream work!" It's true all the time and relates closely our work this past year.

In August 2021, GTP collaborated to host "AfCAA @ 5" to celebrate 5 years of accrediting churches and ministries across Africa. We held an online event that introduced their members, explained their standards, and raised \$11,100 to help them build capacity.

In June 2022, GTP activated peer accountability in Papua New Guinea by resourcing a team of volunteers—Joshua Harber (PNG), Steve Kerr (Australia), Naomi Siawarta (Indonesia), and Anjji Gabriel (Philippines)—who partnered to host an event in Port Moresby.

In early July 2022, we co-hosted a launch event and a series of awareness dinners with ICCSA (Indonesian Council for Christian Stewardship and Accountability). These activities gave them a boost! Member registrations have gone from two to four, with six more pending and eight in the pipeline.

TEAMWORK

MULTIPLICATION AND COLLABORATION WITH PAGs

"The Fellowship of Peer Accountability Groups" as we like to describe them work together to advance "biblically faithful, globally consistent, and locally contextualized standards" around the world. We facilitate collaboration to help get new PAGs started!

Africa

Australia

Canada

Egypt

Guatemala

India

Indonesia

Philippines

South Korea

Switzerland

USA

"GTP was there for us, praying for us, and assisting us. All of us at ICCSA appreciate the whole team at GTP. They helped us maximize our period of waiting in many ways. They connected us to peer accountability groups around the world from whom we have gained valuable insights. They have also inspired us to gather for monthly prayer."

– Naomi Siawarta, ICCSA Chief of Party, Partnerships & Operations, Indonesia
Read her impact story [here](#).

TEAMWORK

MULTIPLYING REACH AND IMPACT WITH STRATEGIC PARTNERS

STRATEGIC PARTNERS

Here's our growing list of strategic partners with whom we aim at multiplication and work in collaboration. With some of them, we work in specific countries or regions, and with others, we labor collaboratively all around the world.

SPIRITUAL PRIORITIES

At GTP, we practice the spiritual priorities of prayer, fasting, and confession to discern the direction of our service from God.

As staff, we engage these priorities annually to discern faithful activities that can position us for fruitful outcomes.

With regional facilitators, we do them to discern next steps based on what God has done, is doing, and where we sense He is leading us.

With strategic partners, we practice them to set aside our plans and discover God's agenda for our collective work.

These priorities guide our teamwork to engage where God is at work, to advance His purposes, and to bring Him glory.

TOOLBOX

At GTP, we say we resource stewards in 3D: Directory, Diagnostic Tool, and Digital Resources.

The Directory helps givers locate accredited churches and ministries in 15 countries: Australia, Canada, Egypt, Ghana, Guatemala, India, Indonesia, Kenya, Nigeria, Philippines, South Africa, South Korea, Switzerland, USA, and Zimbabwe.

Our Diagnostic Tool and Templates have been used by workers from 41 countries. Last year, it was available in English and Spanish. This year, at the European Great Commission Collaboration summit in Prague, we released it in Czech and Slovak in partnership with 4D Ministries.

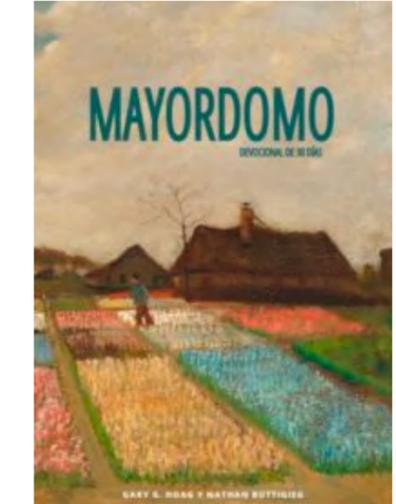

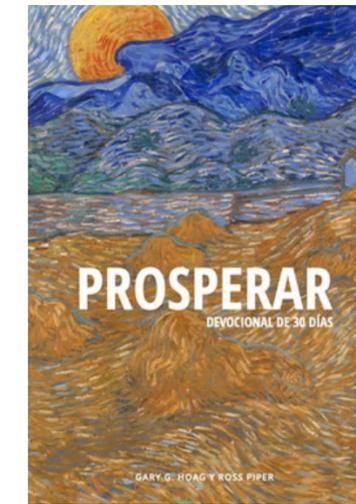

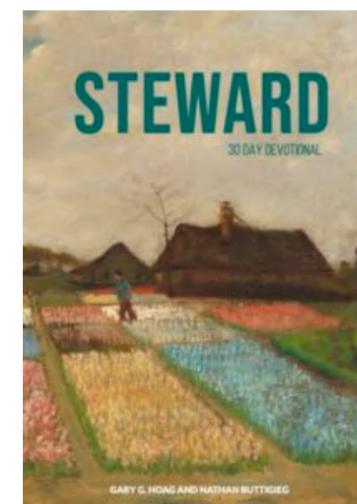

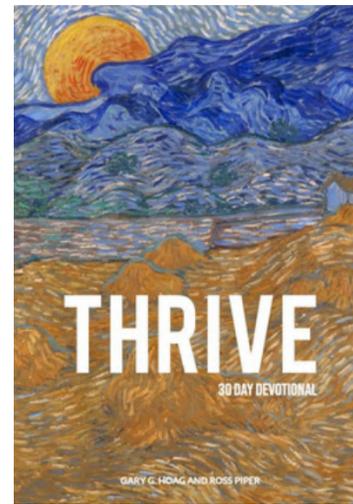

Our Digital Files are widely downloaded in English. Strategic collaboration with Latin American workers has helped grow the reach of our Spanish resources. After our trip to Ukraine, GTP provided books for Russian readers in collaboration with Mission Eurasia.

TOOLBOX

MULTIPLYING STEWARDS WITH DIGITAL RESOURCES

Our digital resource library continues to grow. Devotionals like Thrive and Steward, available in Spanish and English, serve as tools for helping transform teams. Check out our toolbox to see what's available for your ministry team.

"Reflecting on stewardship and praying together as a team in the light of the devotional has been impactful. I encourage ministry teams around the world to read The Sower and go through STEWARD together. It helped us align our convictions and practices according to God's expectations that we see in Scripture and according to the reality of the changes we are seeing in our time."

– Carlos Gomez, Executive Director, PAAM Global, Panama
Read his impact story [here](#).

INSPIRING STEWARDS PODCAST

COLLABORATION USING A NEW CHANNEL

In 2021, we started the GTP podcast hosted by Nathan Jones. Since activating this channel, we've recorded 13 episodes (and counting) from "ordinary stewards through whom God is doing extraordinary things" all over the world.

- Zenet Maramara (Philippines) – Growing givers who are generous towards God
- Roger Lam (Hong Kong) – Serving God instead of Mammon
- Gladys Güitz (Guatemala) – Finding God's treasures in the garbage dump
- Manju George (India) – Discovering the key to a relationship with God
- Rob Martin (USA) – Practicing stewardship and sustained interdependence
- Kehinde Ojo (Nigeria) – Living with relevance and purpose
- Valentine Gitoho (Kenya) – Engaging Christians in fulfilling their God-given vision and mission
- Anne Zaki (Egypt) – Living more openly with an open hand
- Adam Walach (Czech Republic) – Investing in God's Kingdom
- Michael Cherenkov (Ukraine) – Telling God's story in challenging times
- Dan Busby (USA) – Planting the seeds for the international accountability movement
- Gary Williams (Australia) – Helping Christian organizations steward God's reputation
- Carlos Gomez (Panama) – Joining God as He is transforming the world

PARTNERSHIP

GTP does partnership work in four areas—prayer, communications, transparency, and service—because as GTP grows God's Kingdom expands.

Read about the reach and impact of these intentional efforts in 2021-2022.

Give thanks to God for the collaboration and the fruits.

PRAYER

We provide a monthly Prayer Journal for subscribers to share praise items and prayer requests to expand our base of prayer support.

TRANSPARENCY

We comply with ECFA standards and have an independent financial review to build trust and grow global and regional giving.

COMMUNICATIONS

We send bi-weekly Journal Entry emails and post on social media to share the opportunity to spread program impact and engage networks.

SERVICE

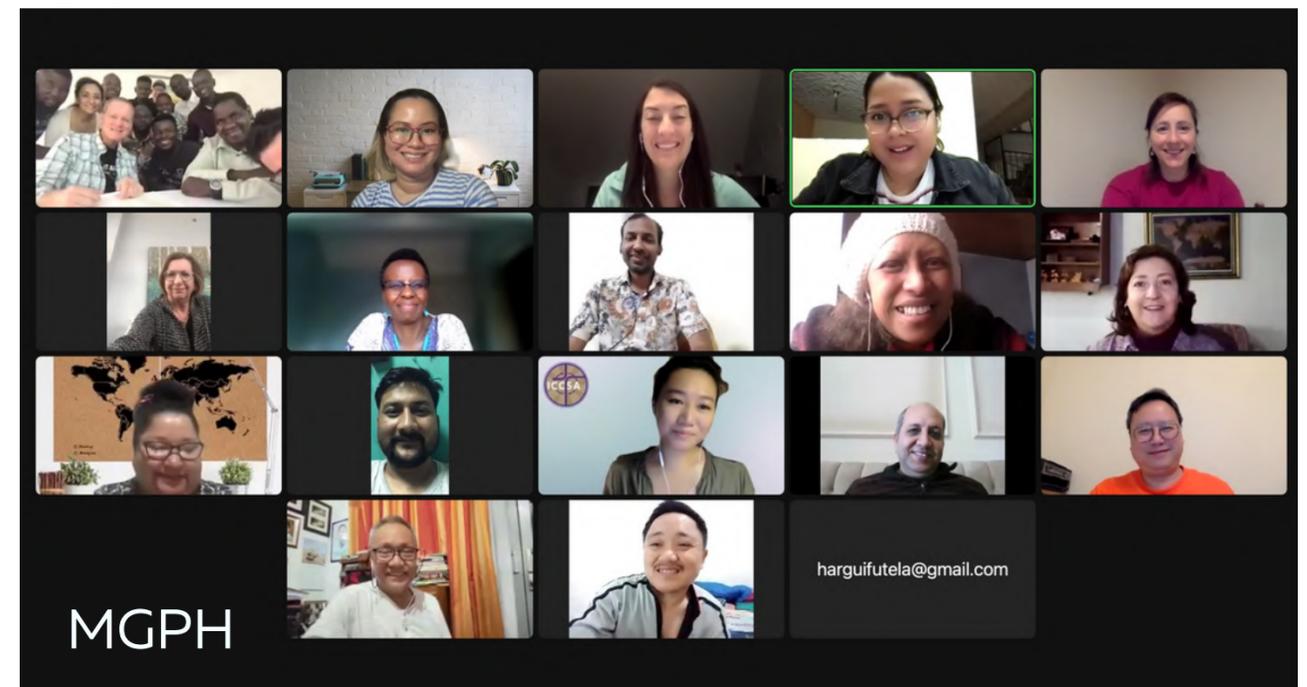

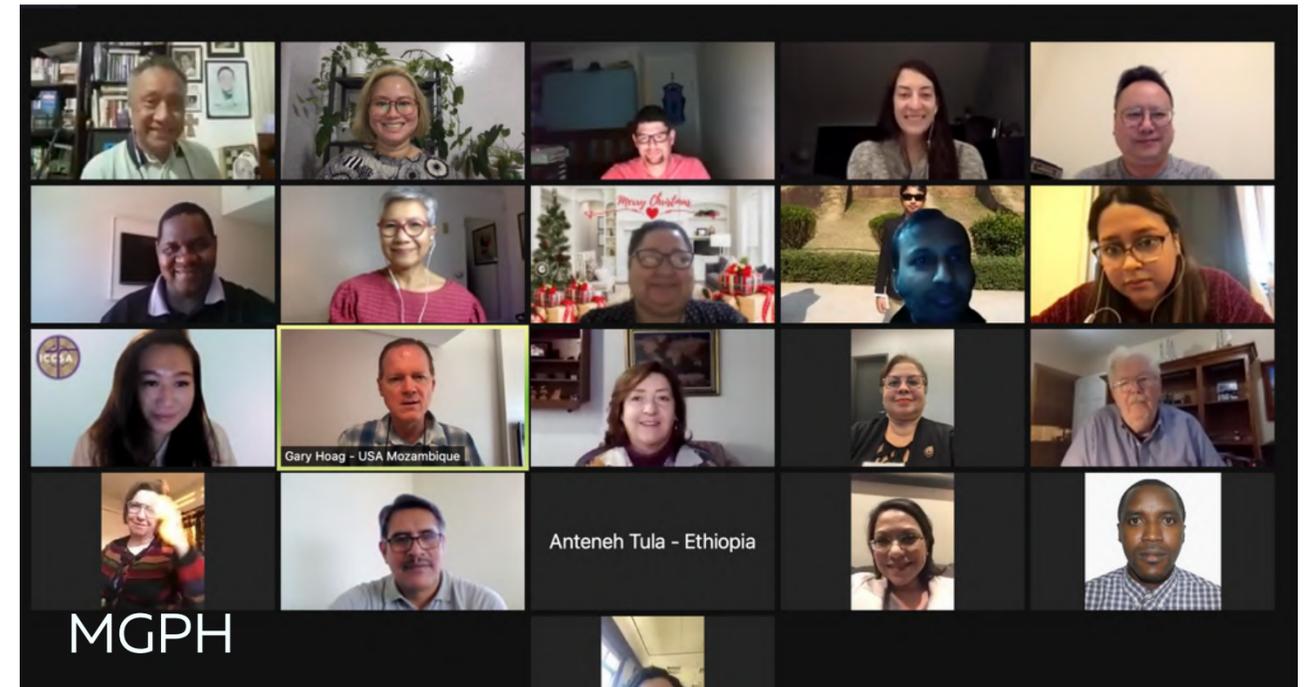

We do our work with the oversight of 12 board members, the work of 10 staff, and the volunteer commitment of 12 regional facilitators.

PRAYER

At the start of each month, we send Prayer Journal to a list of intercessors. Each month, we feature one of the 12 regions for prayer.

Then on the third Wednesday of every month, we gather for Monthly Global Prayer Hour (MGPH), our most important day of the month. Facilitated by Linnea Baney, we pray for GTP and the needs of all those who join us. We've seen God do wonders in response to our prayers.

In the first year of MGPH, we welcomed 529 people from 52 countries. If you have not joined us yet, mark your calendar today.

SIGN UP FOR THE PRAYER JOURNAL

COMMUNICATIONS

In addition to sending Journal Entry twice per month in English, we continue to send our monthly *América Latina Boletín Informativo* for Spanish readers. By 30 June 2022, the list had grown to 654 stewards from across Latin America.

Good news! Ruthie Cristobal recently hired Samuel Mujyanama of Rwanda to serve as Multimedia Specialist. He brings rich experience in many areas, including social media marketing. We hope for growth in this area for GTP in the days to come.

SUBSCRIBE TO JOURNAL ENTRY

**SUSCRIBIRSE A AMÉRICA LATINA
BOLETÍN INFORMATIVO**

Last year, we activated our social media presence. This helped contribute to the growth of our global network. It also extended the reach of our programs to new people and networks

By June 2022, we had 321 Facebook likes and 106 LinkedIn followers. We have a long way to go. We believe that further research and strategic work in this area will continue to reap much fruit.

EXPENSES

Our statement of functional expenses showed that we invested 69% in program services (up from 63% last year), 22% in general and administrative expenses (down from 30% last year), and 9% on fundraising (up from 7% last year).

Why the shift in funding allocation? Program services rose as travel and onsite events resumed. General and administrative costs dropped the staff size remained constant most of the fiscal year. Our auditors continue to applaud our financial health and functional expenses.

GTP TRUST FUND

COLLABORATING WITH MB FOUNDATION TO GROW GIVING TO GTP

WHY ESTABLISH THE GTP TRUST FUND?

This bold step positions GTP to receive complex and major gifts of assets for strategic projects that would not normally be funded by the general budget. It positions GTP for long-term impact.

The GTP Trust Fund is not an endowment. All gifts will be invested and expended to ensure the perpetuity of the GTP purpose. Both the principal and interest will be administered by and available to the GTP board to resource the ongoing work of GTP.

HOW DOES THE GTP BOARD PLAN TO MANAGE THE GTP TRUST FUND?

The GTP Trust Fund will be stewarded in accordance with the GTP Investment Policy to maximize asset values in the short-term to fuel strategic efforts in the long run. That means the resources will be utilized by GTP in a God-honoring manner to grow further income and maximize program investment. With board approval, GTP will use these funds for special projects, regional activities, and international summits.

FUTURE

TEACHING

We plan to host regional events in Latin America and EPSA in 2022-2023.

TRAINING

Look for us to add Stations of Generosity to our list of trainings to facilitate for replication around the world.

TEAMWORK

As Palmful of Maize has spread across Malawi, be ready for us to share key learnings for other countries to apply.

TOOLBOX

Stay tuned for the release of the Diagnostic Tool and Templates in more languages this year.

PRAYER

Register for the Prayer Journal, and join us every third Wednesday for Monthly Global Prayer Hour.

COMMUNICATIONS

We plan to roll out a social media marketing plan to expand the reach of our communications efforts.

TRANSPARENCY

To amplify regional reach and global impact, we established the GTP Trust Fund and plan to invite complex and major gifts to GTP.

SERVICE

Our new skilled staff, board members, and regional facilitators will help increase the effectiveness of our efforts.

JOIN THE GLOBAL MOVEMENT

Share our programs, podcasts, annual report, and other resources with your social networks.

Go through ODJ with a group to form stewards who follow standards.

Confess, pray, and fast for your context. Participate in Monthly Global Prayer Hour.

Give to GTP to support multiplication and collaboration worldwide!

Remember: Christ is with us, and we are "with you!"
